## EnQuest Malaysia and The Amjad & Suha Bseisu Foundation Scholarship Ceremony Award

**November 6 – 2020 Scholarship Award by EnQuest Malaysia and The Amjad & Suha Bseisu Foundation** each agree to award two students from Universiti Malaya (UM) and Universiti Teknologi Malaysia (UTM) students. Given the current circumstances of the global pandemic, the scholarship award ceremony was conducted virtually and streamed live on the Faculty of Engineering, UTM's Facebook.

Congratulations to all scholarship recipients, and their family members, and the professors that contributed to their success. They were 25 candidates, 41 virtual interviews and it came down to 12 shortlisted candidates and 4 finalists.

The Amjad & Suha Bseisu Foundation 2020 recipients are Miss Hazirah binti Mohd Khairi from School of Mechanical Engineering (SKM), and Mr. Zulkifli bin Mydeen from Petroleum Engineering, School of Chemical and Energy Engineering (SKT), who are both from UTM. EnQuest 2020 scholarship recipients are Mr. Wan Mohd Sharul Nizam bin Wan Roslan from Chemical Engineering, SKT, UTM and Mr. Muhammad Aiman Ikmal bin Akmad from Chemical Engineering, UM.

Thank you EnQuest Malaysia and The Amjad & Suha Bseisu Foundation for entrusting and selecting UTM as one of the universities for this brilliant scholarship award and for sponsoring three of UTM students as your scholars.

To all scholars, we wish you the best of luck in all of your future endeavors. Congratulations!

# Webinar Series: UTM Engineering Student Virtual Hangout Zone – Graduate Employability: A Sharing Session From A Reservoir Engineer Perspective

**November 24** – For this week’s webinar, ‘UTM Engineering Student Virtual Hangout Zone’ was streamed live on Faculty of Engineering, UTM’s Facebook as part of the activities in KoQ Day for UTM students. The title of the webinar was **Graduate Employability: A Sharing Session From A Reservoir Engineer Perspective** by Mr. Dennis Ling Hua Sid, who is also UTM alumnus and was moderated by Mr. Awang Emir Muslim.

As an UTM alumnus, Dennis shared his journey and experiences with the viewers about his life as a UTM student. Dennis is currently a reservoir engineer at Schlumberger, whereby he was also an intern at Schlumberger back in the days.

Dennis explained what reservoir engineering is and shared his life as reservoir engineer at Schlumberger. According to him, the company does not only teach him to challenge himself, but to challenge those around him and situation that they are facing.

Dennis also shared his experiences on how he had enhanced his confidence in public speaking. He also highlighted to the viewers that he put in extra effort and hard work in his third and final year of his undergraduate studies to get to where he is now. The session has definitely inspired and motivated over two thousands FB viewers .

# Awards and Competition won by students of Faculty of Engineering

**MonStar Award** – Congratulations to Tan Jun Jie, a 3<sup>rd</sup> year student from School of Electrical Engineering and Faaq Fajari Fauzan, a 4<sup>th</sup> year student from School of Computing for being selected as the Top 50 in MonStar Award, representing Universiti Teknologi Malaysia (UTM).

Congratulations to **PLAYERS\_SMEC, Universiti Teknologi Malaysia** for winning the 2<sup>nd</sup> place in **Malaysia Siswasat Competition 2020**. The group was represented by Pang Wen Jie, a 3<sup>rd</sup> year student from School of Computing, Chin Yee Jian, a 2<sup>nd</sup> year student from School of Mechanical Engineering and Toy Zheng Hong, also a 2<sup>nd</sup> year student from School of Electrical Engineering, UTM.
